that followed in the French navy as conclusive proof of what must be expected in the American navy.

The nature of the bill of complaint brought against Minister Felletan a decade ago, when he was in full swing in the Ministry of Marine, is indicated in an article on "The French and German" under this or that these civilian employees exist under this or that these civilian employees exist an article on "The French and German under this or that name or one or an-Navies," published in France in 1904. The author states that the distinguishing characteristic of M. Pelletan's regime was an increased tendency to lessen the The author states that the distinguishing characteristic of M. Pelletan's regime was an increased tendency to lessen the combatant corps, to lower its prestige, to belittle it in the minds of the enlisted man and the public. He then proceeded:

"But it was not enough to debase the a General Staff to exercise full control also hits close to the present Secretary." is for these blind people, thousands man and the public. He then proceeded

the authority of line officers by remit-ting all the punishments inflicted by them on guilty sailors every time the tions appealed directly to the Minister.

"The name of democracy has been ous to all authority and all responsibilities in the different degrees of the hier-invoked to explain this mercless war on the spirit of discipline and duty; it was pretended that it was desired to makes the interests of the navy yield to makes the interests of the navy yield to porter that she had nothing to say. was pretended that it was desired to the interests of the party in power. How under such conditions, would it be possible to prevent the most profound an admoralization and democratization there is an abyss.

"Shall I speak of tale bearing? It is "There is little doubt in Washington that such "moral anarchy" exists in the adulty occurrence. It is encouraged American Navy Denortment.

Any one who has had an opportunity to be with the fleet during the last year will find much evidence in support of this contention. The name of Josephus Daniels is not received with the appreciative enthusiasm which his generous and sincere intentions might well entitle him to expect.

The average naval officer, however, is much less interested in navy yard efficiency than in that of the fleet, which he considers the one essential of the navy. Consequently, the feeling of the fleet officers may be imagined when, as has actually happened, letters have been described. title him to expect.

### Anonymous Letters Heeded.

No one development has caused so much chagrin to naval officers as the matter of anonymous letters sent to

The regents refused to-day to affirm or deny the report of his choice.

JAPANESE PARDON COREANS.

Grant Amnesty to Alleged Plotters

Against Gen. Teranchi's Life.

Tokio, Feb. 13.—Amnesty was granted to-day to six Coreans who were convicted in July, 1913. of an attempt to assassinate tien. Terauchi, the Japanese Governor-tieneral of Corea, and were sentenced to six years imprisonment.

The prisoners receiving the amnesty has a matter of anonymous letters sent to the Secretary by enlisted men. It is said that many of these letters receive, as was charged against Pelletan, serious consideration, and that often they are made the basis of inquiries and investigations.

Officers of the navy, iong trained in the traditions of the service and its ideas of discipline, consideration to the very principle of the naval service. To their minds it is very clear that preservation of naval discipline requires that not only shall it be made known to the entire navy that anony-

DR. ARMSTRONG GOES TO JAIL.

Physician Taken to Ludlow Street in Wife's Suit.

Dr. William Apparence of the service of the service. The navy has its most rigid rules, from which officers themselves are not exempt, requiring all communications to be carried through the service of the service Dr William Armstrong, consulting the intermediate stages of superiors to the final responsible authority. It was sent to Ludlow street jail yesterday is the keystone, one might say, of the

better suit him. Such interference by the Secretary the fleet regards as a blow aimed at the very vitals of the navy.

Mr. Daniels escapes altogether, however, the most serious indictment brought against Minister Pelletan, and rightly so.

ever, the most serious indictment brought against Minister Pelletan, and rightly so. Mr. Daniels is admitted to be absolutely

the naval constructors, the ordnance ex-bert and the engineer. Every one re-calls the famous circular of M. Pelletan

The Walsh act supporters assert that relating to boilers, written in his own handwriting, in absolute contradiction to the advice of the naval constructors; the case of the gun mount adopted although line officers and naval constructors united in condemning it.

The Walsh act supporters assert that they are not afraid to have the ballots recanvassed. They say that it will in all probability increase the majority by a fundred or two.

Millions of France Wasted.

an unfavorable report on an employee Concress regarding a bill proposing heretofore unheard of advancement for

he world, exposing the French navy to the ridicule of every naval power. All tecepted principles of naval design were thandoned in favor of one or another range of possibility under freakish ideas presented to Pelletan

hat manouvres were useless and that on much coal was being expended.

These charges do not lie against Mr.
Daniels. He has accepted the views of he experts of the navy in regard to attleship and any construction, and

ise of first class battleships on police luty in the tropics, but he has really and no choice but to give Mr. Bryan what was asked for.
